## May Fete Carnival Promises Brilliance

### All Students' Votes Required for Honor Constitution

#### PROCTOR SYSTEM IS ONLY ALTERNATIVE

Balloting Conducted Through the Registrar's Office.

#### NO VOTE REGISTERS "NO"

Constitution Has Faculty Endorsement And Is Supported by the Student Council.

The Student Council of G. W. wishes to get the unbiased opinion of the student body at large, on the Honor Constitution. This is not a trifling matter and a serious consideration of its merits is requested by them.

This is the second that the Student Council has tried to pass favorably to the students, but last year the constitution presented did not suit the students and it failed. This year the constitution has been revised and the Faculty Honor Committee has passed on it. Now it is to be presented for a vote of yes or no.

President Hodgkins says: "I approve heartily of an Honor System and hope the students see fit to accept it."

Dean Wilbur, of Columbian College, stated: "In my career as dean in this school, I have longed to see an honor system, and if this is accepted I will be very glad."

Prof. Croissant, chairman of the Faculty Committee to review this constitution, says: "I have seen this constitution and I am in favor of it, body and soul."

In any event, that the Honor Constitution should fail to be accepted by the students a proctor system will be adopted. A proctor system, that of policing the classes when examinations and written lessons are given.

#### MARY PRICE WINS MEDAL OFFERED BY SPANISH CLUB

The Committee of award in charge of the competition for the bronze medal offered by El Circulo Espanol, composed of Dean George Neely Henning, chairman; Professor Henry Gratian Doyle, and Assistant Professor Cecil Knight Jones, has announced its decision as follows:

Medal awarded to Mary E. Price, Columbian College, for an essay entitled "Renaissance Culture as Portrayed by Miguel de Cervantes Saavedra."

Honorable mention was given to Ernest H. Niemeyer, Columbian College, for "The Appeal of the Don Quijote of Cervantes," and Linda Deaton, Columbian College, "Don Quijote: A Mirrored Interpretation of the Spanish Race."

The medal will be presented to Miss Price, the prize winner, at the next meeting of the Circulo Espanol. It is expected that a similar prize will be offered annually for the best essay on a subject chosen from the life or works of Cervantes.

The last meeting of the year will be held Thursday, May 3, at 8 p. m., in the Lecture Room, first floor rear, 2017 G Street N. W.

#### W. U. C. SONG CONTEST OPEN UNTIL SAT., MAY 12

The Women's University Club is offering a prize of ten dollars for the best college song presented, special consideration being made if the music, which must also be submitted with the song, is original.

All songs must be given to Anna Hoy, 1815 Belmont Road N. W., before May 12.

Dr. R. W. Bolwell, chairman of the committee for the selection of the best song, has announced the writer of the song will have ownership of the song, but that the University will reserve the right to its use. Professors DeWitt C. Orin and H. G. Doyle are the members of the committee.

#### ONE-ACT PLAYS WILL BE SHOWN SATURDAY NIGHT

The Program Consists of Moonshine, Where But in America, and Suppressed Desires.

On Saturday evening the 28th of April, the G. W. Players will present in the Chapel of Lister Hall three one-act plays, to begin promptly at 8 o'clock. The plays to be given are "Moonshine," "Where but in America," and "Suppressed Desires."

The total admission will be fifty cents, and there will be no reduction for persons wishing to see only one of the plays.

The cast for "Where but in America" consists of Louise Bannerman as Hilda, Sara Fry as Molly, and J. Smithwick as Bob. Luke Hartman and Meador Wright will simulate a moonshiner and a revenue officer in "Moonshine." Bee Henning, Louise Espey, and Louis Siebold have been working up a lot of "Suppressed Desires" to put on.

#### COLUMBIAN DEBATING ANNOUNCES SCHEDULE

The Columbian Debating Society recently announced their schedule of debates from April 27th to May 11th. These debates are held in the Alumni Room of the Law School at 8 o'clock.

On Friday, April 27th, they will debate the question, "Resolved, That the result of the two years of Harding's administration justifies his reelection."

May 4th, the question, "Resolved, That the United States become a league member of the world court," will be decided.

May 11th, a decision will be rendered on the question, "Resolved, That the seizure of foreign vessels carrying liquor within the three-mile limit is justified on the part of the United States."

At the present time those who will uphold the negative and affirmative sides have not been chosen.

Edward Scheuffer, president of the society, invites all persons interested in debating to attend these meetings in the Law School.

#### GIRLS SWIMMING MEET SCHEDULED FOR MAY 4

George Washington's annual swimming meet for girls will be held on the evening of May 4th, at the pool in the Central High School. Fancy diving, stunts, races, and practical demonstrations are listed on the program for the evening entertainment.

Negotiations are now under way for a meeting with the Capital Athletic Club on Monday, April 30th, Central High School pool.

#### TO SERVE COLLEGE LUNCH

The Y. W. C. A. will serve a College Course Luncheon, Friday, May 11, on the North Campus. Some of the courses will be: Geology (rock candy), Geology II (marble cake), Math. V (parallelograms). An especially fine course will be Zoology II (hot dogs), as it includes all the animals. A full set of courses can be had for forty cents, or less. This is a bargain, as the usual college courses amount to \$1.80.

Registration for the luncheon will begin Monday, May 7. Sign up early.

The Y. W. C. A. is also planning a lawn party for June week. This will be extra good, so watch for details.

#### G. W. PLAYERS TO ELECT

The G. W. Players will elect officers for next year at the regular monthly meeting held Wednesday, May 2, in the Chapel, at 8 p. m. Only those whose dues for the semester have been paid by Saturday will be eligible to election as officers, or eligible to vote. Dues (50 cents) are payable to Theresa Lawrence, D. A. Brown, or Louis Siebold.

#### STUDENTS PROTEST AWARDING EMBLEMS TO STUDENT COUNCIL

Members of Athletic Teams Object to Giving of Honorary Letters.

#### DISCRIMINATION SHOWN

Editors of Publications Ask for Proper Recognition for Services.

Many protests have been made by athletes, members of publication staff, and tax-payers to the action of the Student Council in awarding themselves gold keys. The presenting of honorary letters to certain members of the Council was also vigorously deplored by the athletes as weakening the true meaning of the letter. They feel that the letter should be for meritorious action and effort on the playing field.

The Hatchet is in receipt of a communication signed by over a score of wearers of the G. W., putting forth their view of the matter. It follows:

To the Editor of the Hatchet:

We wish you would call the voters' attention to the following: Each and every one in this University ought to know what the Student Council has done, and so to you we look for help, as you and you alone are able to remedy the situation. Several months ago the Student Council asked each member of the football team whether they wanted gold football or sweater. Finally when the majority of the team had signed up for a gold football, the council, to show they were the "boss" voted to give us sweaters. Which they did against the wishes of the majority.

#### HISTORIC ESSAY CONTESTS OPEN FOR COMPETITION

Three Prizes Offered; Two Open to Seniors Alone.

Three historical prizes given annually by individuals and societies interested in the history department of the University are now open for competition. Two of the prizes are open only to members of the graduating class, and the other to students of Colonial history.

The Thomas F. Walsh prize, established by Thomas F. Walsh, Esq., of Colorado, consists of a gold medal to be awarded to that member of the graduating class who shall produce the best essay upon a designated period of the History of England in its association with the History of Ireland. This year the subject is "The Evolution of Sinn Fein."

The Hubbard Memorial prize is also open only to seniors, and is to be awarded for the best essay on "James K. Polk and the Mexican War." It is required that the contestants have a good record in history during the full four-year course.

"The Revolutionary Activities of the First Continental Congress" is the subject given for essays by the Colonial Dames of America, Chapter Three. This contest is open to all history students.

Papers and records of contestants must be presented to Prof. Swisher not later than May 25th.

All University students are invited to a lecture by Dr. Charles H. McCarthy, on "The Training of American Statesmen," this evening at 8:15, at 2017 G Street. Dr. McCarthy is head of the History Department at C. U. The lecture is given under the joint auspices of the Philippines and Free Lance Clubs. An interesting discussion is promised.

#### LAST DAY TO VOTE FOR COUNCIL REPRESENTATIVES

Unusually Heavy Voting Reported by Those in Charge of Ballot Boxes.

To-night at 7.30 p. m. the ballot boxes will be closed to voters in the election of representatives on the Student Council. At the present time it seems impossible to predict that any person will have a walk-away in his or her run for the office. All voting seems to be extremely close.

A member of the present Student Council is in charge of each ballot box, and it is the general impression of these persons that more people are voting this year than ever before. The students have taken a great interest in choosing their representatives.

It was ruled by the council that no one would be allowed to drop ballots in for another, each person voting must drop his own ballot in the ballot box. The practice before was to allow one man to collect several ballots signed by the different persons and drop them in the box. This method caused a little talk among the students as to the validity of the election. This will be eliminated by the present ruling.

#### INSTALL CABINET AT BANQUET FRIDAY NIGHT

Last Friday night the old and new Y. W. C. A. cabinets and their advisors were entertained at a banquet at the City "Y." The tables were decorated with sweet peas, candles, and hand-painted place-cards.

After the dinner the retiring cabinet installed the new officers. Each former cabinet member lighted her own candle from the central candle-burn, then lighted her successor's from her own, while expressing her best wishes. The girls of the retiring cabinet were Mabel Bennet, Betty Kendrick, Maxine Rolle, Alice Cushman, June Cooper, Bernice Veley, Dorothy Nichols, Helen Loomis, Nelda Umbeck, Phoebe Knappen, and Janerle Brooks. The new cabinet consists of Isabel Buntin, Muriel Hoag, June Cooper, Edna Veley, Katharine Lacy, Alice Cushman, Roberta Chapman, Theresa Pyle, Dorothea Stephens, Eleanor Dobson, Helen Musson, and Lucille Hill. Mrs. Ruediger, Miss Johnson, and Mrs. Hull were installed on the advisory committee.

#### ALUMNI ENTERTAIN IN HONOR OF THE SENIORS

The members of the Senior Class were guests of honor at the meeting of the Alumni Association last Saturday evening at the Washington Club.

Mr. Samuel Herrick, Law, '01, was reelected president, and Prof. Elmer L. Kayser, Teachers College, '17, was reelected secretary-treasurer. The following were elected vice presidents for the various schools: Engineering School, Francis R. Weller, '99; Columbian College, Ralph N. Benton, '15; Graduate School, Ruby Nevins, '22; Law School, J. Bradley Tanner, '21; Medical School, Chas. H. White, '12; Teachers College, Elizabeth Peet, '12.

Addresses were made by Dr. Hodgkins, Mr. Herrick, Mr. H. C. Davis, J. P. Ernest, Joseph Cox, and Mrs. Joshua Evans.

The meeting was followed by a reception and dance.

#### GLEE CLUB CONCERT WINS

Last Tuesday evening the Girls' Glee Club of George Washington University held its annual concert at Epiphany Hall. The concert was conducted under the direction of Mrs. Sweet, and it was a decided success.

Dances and solos were the features of the evening, and the program as a whole was very attractive. Many attended the affair and helped make it a success musically and financially.

#### LE PARADIS ORCHESTRA FOLLOWS MEYER-DAVIS

Masked Revel to Last Until Three o'Clock.

#### SURPRISES PROMISED

Tickets Selling Rapidly—May Be Obtained at Treasurer's Office.

Plans for a brilliant, scintillating May Fete Carnival, to be held at the City Club, Tuesday, May 1, from 10 to 1 o'clock, have been completed, according to those in charge of the third annual festive event. Chairman Earl Manson urges that every man and co-ed come in costume.

#### A Mail of Mystery.

This party which has been called "The Mail of Mystery," contains many novel and interesting features, but only a few of these have been disclosed.

Among the features of the evening will be the following, which will take place shortly after midnight. Brightly colored balloons will float from bags suspended above the dancers, while variously colored streamers will drift from the balconies and confetti will be showered thickly on the throng, all of which will add to the gaiety and color of the evening.

The hall will be decorated with fraternity banners and brightly colored streamers, balloons, and other masquerade effects. Confetti will be freely scattered among the jolly dancers, who will always be alert for the seemingly endless surprises to be brought forward, while spotlights will play over the assembled throng from time to time.

#### Best of Music.

Washington's best jazz-bands have been procured to furnish the music. At 10 p. m. Meyer Davis' Famous Nine will take the floor and play until 1 a. m.

Immediately after these artists leave the floor, the Le Paradis Orchestra will take their place. These jazz artists will not disappoint an expectant throng this time as they did at the Junior Prom, for they are bound by the flimsy but unbreakable bonds of a written contract. To the strains of the latest jazz melodies of these artists of dance music, the dancers will have ample opportunity to enjoy themselves until 3.30 a. m., after which the party will break up.

#### Ticket Sales Successful.

Latest reports from ticket sellers received by Earl Manson, chairman of the Carnival Committee, show that approximately seven hundred G. W. students will flock to the May Carnival. The daily increase of ticket sales show that this party will be the biggest of the three great May Masquerades which make social history for George Washington University.

Having promised all of these features and many others not yet disclosed, Earl Manson and his colleagues claim that this is the greatest and best of the May Carnivals, and urge that everyone attend.

Prizes for the funniest and for the prettiest costumes will be awarded.

(Continued on Page Three.)

#### FAREWELL DANCE

A big farewell dance for the members of the Hatchet staff and its friends is being planned by Daniel B. Lloyd, business manager of the Hatchet. The exact date has not been set for this affair, but will most likely fall about the 10th of May.

This affair will be in honor of the incoming editor and business manager of the Hatchet, and will enable the entire staff to get together in a farewell event at the end of a year of successful effort. It is hoped to have at that time a representative publication lunch to while away in "merry musical strains their common trials and worries."

## Do We Want a Proctor System?

The student body is again faced with the necessity of either accepting or refusing the installation of the Honor Constitution.

The constitution was defeated a year ago, but many of the objectionable features have been removed and it is again placed before us, this time for final decision. We hope that it will be accepted.

Although we believe in some sort of Honor Constitution, we are doubtful if this is the right one. It is a question whether any system based upon espionage on the part of fellow students can be successful. We would prefer that the matter be allowed to rest until some more acceptable constitution could be devised, but we are faced with the choice of one of two alternatives: We must either accept this constitution or have the proctor system forced upon us, and anyone who has experienced this system in other universities must deplore it.

The proctor system would not be a pleasant institution. It is not a comfortable feeling to know that during every examination you are subject to the watchful scrutiny of a proctor, whose function is to catch cheaters.

The proctor system is also an expensive one, and any additional expense to the University is unwelcome. It would be far better that funds used for the employment of proctors be employed for the furtherance of student activities, improvements to facilities, and other University needs. But this system will be put into force if the Honor Constitution fails in passage, and the students will have no voice in the matter.

The Honor Constitution deserves a fair trial. No institution should be condemned without one. It might prove successful and an excellent thing for the University. Ample provision is made for its repeal should it prove unsuccessful. The logical thing to do, then, would be to try it. Whatever the outcome, we would escape the infinitely more objectionable proctor system.

The installation of the proctor system is not a threat; it is a dire certainty if the constitution is not adopted. Whatever our thoughts on this constitution, let us vote for it and avoid the stigma of a proctor system in our examinations. G. W. students have no wish to be treated as possible criminals. We must, to escape it, choose the only alternative and put the Honor Constitution over. Let everyone vote—majority of the students enrolled is required for passage and failure to vote is equivalent to voting "No."

## Hot Air Recognition

What's sauce for the goose is sauce for the gander does not appear to be one of the maxims of the Student Council. About a month ago football and basketball men were refused the award of emblems for their services on the gridiron and court. True they were appeased in a way, by being awarded sweaters, but they preferred gold footballs or basketballs, as was shown by a petition passed among them.

Now, as if to add insult, the self-same Council has voted to award themselves a watch charm of distinctive design for their services, whatever it is. This hardly seems fair in view of the action taken toward the athletes who worked hard for the good interests of the school.

Not only have the athletes a grievance and have been insulted by this action, but the heads of publications are also personally interested. Last year the editors and business managers of the Hatchet and Cherry Tree were not given the watch charms, as had been done previous years. And there is little indication that they will be awarded this year.

And now the Council which uses up valuable time discussing quorums, proxies, lost constitution, by-laws and accomplishes nothing, is seen in the act of patting itself on the back and resolving itself into a mutual admiration group.

The matter of awarding honorary G. W.'s to the president of the Student Council and to the members who have served several terms is weakening the true meaning of the letter. We have nothing against the men so "honored"—in fact we count them among our friends, but it seems that this is a perversion of the use of the letter G. W. They should be reserved for men who have achieved in athletic combat against our opponents. Under no circumstance should the letter be awarded to those men who have not even done as much constructive good for the University as the men who train faithfully and only succeed in making the second team.

If awards must be made to members of the Council, why not follow the rule of their own making. If this is done all members of the Council for one term would be presented, as suggested by one of our correspondents, with smoking jackets and those of two years would be awarded the gold key.

## THE SPY

By William S. Becker.

The American National Theater.

A new organization, the American National Theater, has come into action on the American stage. It is headed by Augustus Thomas, Czar of the legitimate stage, and its backers are wealthy business men, bankers, and stage artists. They have staged their first production with the avowed purpose of giving us plays of rare beauty and perfection. That they have made a good start toward this goal was demonstrated to Washington theatergoers last week with the presentation of their first offering, Shakespeare's beautiful comedy, "As You Like It."

Marjorie Rambeau heads a remarkable cast of stars. The acting is flawless, the direction that of a genius, and the settings and lighting things of beauty. In the words of a master critic, describing his reaction to the premier performance: "It was a great and happy night for the wandering spirit of Shakespeare of Avon. If there is justice among the dispensers of what we call eternity, surely his smiling shade must have roamed the aisles of Pol's during this glowing setting-forth of his pretty comedy."

No money has been spared to make this production artistically perfect. The directors spent lavishly, but with excellent taste. Costliness radiates from the stage and, the resulting settings are of perfect beauty enhanced by marvelous lighting. To Lee Simonson we bow in grateful appreciation for the scenic effects, which, while they are the most beautiful we have ever seen, instead of detracting from the attention of the action, enhance it and make it gloriously real.

The direction has coaxed every minute particle of beauty from the lines, and the action and "business" mark Robert Milton as one of the finest. His actors do great work. Every one of them evidences rare repression for the benefit of the play. Fortunate, indeed, is the director and the play favored with such a cast.

This is not the Shakespeare that people avoid, but it is a Shakespeare interpreted and set forth in genius—a Shakespeare that anyone can love. Here is stage history in the making. It will live long in the memory of those who are fortunate enough to see it. May the organization responsible for it hold to their purpose and continue to grace the American stage with productions of such graceful beauty.

### Business High's Show.

The young people of Business High School produced Shakespeare's "The Taming of the Shrew" at Central High Auditorium last Friday and Saturday, and we spent a very entertaining evening watching them.

They raised the curtain with "The Shoes That Danced," and delighted our gaze with Beryl Fish, a vision of youth and beauty. She raised a spotlight, and to our enjoyment, literally bathed in it.

Margaret Ryan showed real Irish spirit as Katherine in "The Taming of the Shrew," and though it was some task, was ultimately tamed by Ray Larcombe as Petruchio.

This is the sort of thing that produces future stars, and we should support them heartily.

### ENGINEERS' DANCE

Engineers, we salute you. After such a dance as was given at the Cairo, well, all hail to A. Bussard, Jr., who was the honorable who engineered this affair. Everybody knows Meyer Davis' music, good any time anywhere, so the affair was one thrill after another. Home Sweet Home came all too soon.

### HONOR CONSTITUTION

(Continued from Page One.)  
costs money that could well be spent for other things.

Prof. Croissant is very firm in his stand that if the constitution is turned down, a proctor system will be installed to keep up the standards of George Washington University.

The Honor Constitution is as follows:

#### THE HONOR CONSTITUTION.

##### Article I.

Section 1. The honor system under this constitution is defined as placing the responsibility of promoting a standard of honesty in the University primarily upon the student body.

Section 2. The honor system shall become effective in the Department of Arts and Sciences of George Washington University from the date of the approval of this constitution by the faculty and by a majority of all registered students. The vote of the student body shall be taken through the registrar's office.

##### Article II.

Section 1. There shall be an honor committee composed of the presidents of the Senior, Junior, and Sophomore classes of Columbian College, of the College of Engineering, and Teachers College. This committee shall be empowered to add to its number one member from the School of Graduate Studies. The committee shall elect its chairman from its own members.

##### Article III.

Section 1. It shall be the duty of every student to inform the chairman of the honor committee of any case on which he thinks the principles of the honor system have been violated.

Section 2. It shall be the duty of the committee to call before it the accused to investigate the situation.

Section 3. In case of conviction, the honor committee shall recommend the penalty to be imposed to the faculty through the Dean of the College or School in which each offender is registered.

Section 4. It shall be the duty of the honor committee to promote a system of mutual responsibility among the students for honest scholastic work.

##### Article IV.

Section 1. Violations of the honor system shall consist of receiving in any way or giving in any way, unauthorized aid for any examination or written recitation given in any course of the Department of Arts and Sciences.

##### Article V.

Section 1. This constitution may be amended by a three-fourths vote of the Student Council, provided that the amendment is approved by the faculty and the student body.

Section 2. The operation of this constitution may be terminated at any time by action of the Faculty or of the Student Council.

Saxophonists, cellists, pianists, fiddlers, and other musicians, including "ukelers," kindly note! Your efforts along the musical line have not been in vain. There are now 114 colleges in the United States which allow entrance credit for music; 154 grant credit for musical appreciation; 88 give credit for applied music; and 203 offer a degree of bachelor of music.

## INTERFRATERNITY BASEBALL NOW UNDER WAY

Sigma Phi Epsilon Won From Wandering Greeks; Phi Sigma Defeats K. A.

Interfraternity baseball has got under way and in two contests played last Sunday on the Monument Ground diamonds, Sigma Phi Epsilon won its first game of the year from the Wandering Greeks by the score of 5 to 3, and Phi Sigma Kappa defeated the Kappa Alpha nine in a close encounter that ended 7 to 6.

The S. P. E. game with the Greeks only went for five innings, but it was long enough for the S. P. E. men to show their superiority. Don Johnson distinguished himself for the winners, while Jimmie Ptak played well for the Wandering Greeks.

K. A.'s inability to connect with the offerings of Rutley and Glover spelled defeat for them. The Phi Sigs were given a scare in the last inning when the Kappa Alpha's staged a rally, but the Phi Sigs remained on top by the margin of one run. Young's catch of a line drive to center field was the feature of the game.

## PHI SIGMA DANCE SUCCESS

"A good time was had by all." That is prevailing comment on the campus in regard to the Phi Sigma dance, held Saturday at the Raleigh Hotel. The multi-colored dresses of the girls present added to brilliance of the affair. The music was especially good, and everything else went off as only Phi Sigma can do it.

## HATCHETITES DEFEAT C. U. TEAM DECISIVELY

C. U. Took Only One Set in the Entire Match.

Hatchetite racketers accomplished an overwhelming victory over the Catholic University tennis team, when they cleaned up seven matches on the Dumbarton Club courts last Tuesday afternoon, April 24. G. W. has a real tennis team, and the victory was well earned.

C. U. did not win but one set and that was in the doubles. Van Ende, Keliher, Law, and Klopsch ran roughshod over the Brookland netmen in the single matches and Aten, Ballinger, Law, and Pitts won their double events.

Coach Miller is well pleased with the showing made by his men and appreciates the victory over G. W.'s rival as much as the players themselves.

G. W.'s football team conquered the Brookland eleven, but the Buff and Blue basketball team was unable to score a win in two contests. The tennis victory has encouraged the players, and the student body also seems very well satisfied with the showing made.

Johns Hopkins' tennis team is to visit Washington this afternoon for a match with G. W.'s netmen, and the contest should be well worth watching. It is scheduled to get under way at 5 p. m., on the Dumbarton Club courts.

Following is the result of the C. U. match:

Singles, Van Ende won from Regan, 6-1, 6-1; Keliher defeated McGuire, 6-0, 6-1; Law conquered Kawasaki, 6-0, 8-6; and Klopsch scored a win over Gorman, 6-1, 6-1.

Doubles, Aten and Ballinger defeated McGuire and Regan, 6-3, 4-6, 6-3. Law and Pitts trounced Chambliss and Stapleton, 6-2, 6-2.

## TRACK TEAM DOES WELL IN AMERICAN LEGION GAMES

Nichols and McCoy Score for G. W.—Shows Up Well in Relay.

The George Washington relay teams, although defeated in the one-half mile, mile, and two-mile relay races Saturday in the American Legion Games by the University of Maryland teams, showed up exceptionally well, finishing not more than five to six yards behind in any race. How well is apparent from the times in which the races were run. The half-mile relay was clocked at one minute thirty-five and one-fifth seconds; the mile at three minutes thirty and four-fifths seconds; and the two-mile at eight minutes and thirty-six seconds.

The G. W. relay teams were composed of Meigs, Grass, Peake, and Tolson in the one-half mile; Mountain, Grass, Peake, and Tolson in the mile; and Henderson, Laux, Burgess, and Graeff in the two-mile. Grass, Peake, and Tolson ran their distances well in the half and mile relays, the two latter especially, gaining much ground. In the two-mile relay, Laux gave the Marylanders cause for worry when he closed up their ten-yard lead and handed the baton to Burgess ten yards ahead. Burgess ran well, but lost about four yards. Graeff, running at anchor, then raced a splendid race, but was unable to beat Endsow to the tape, the latter beating him out about five yards by making the last stage in 2.03.

The point scoring for G. W. was made by McCoy, who took second in the shot put, and Nichols, who took third in the 220-yard low hurdles. Our point scoring would have been heavier without doubt had not the relays taken our men out of open competition.

Ludwig, a youngster just beginning track this year, finished a strong fifth in the mile run behind Goward of Virginia, who won this event in 4.33. Ronca, too, qualified in the century dash, but pulled a tendon in the 220-yard trials, eliminating him from further competition. Captain Tolson, after competing in two relay events, entered the open broad jump, and on his first trial twisted muscles in his back, straining them to such an extent that he may be prevented from participating in the Penn Relays Saturday.

Track training is now being held at the Georgetown Field every morning at 7 o'clock, preparatory for the Penn Relays, the Gallaudet-G. W. dual meet and the South Atlantic meet at Richmond, Va., and Coach Probe is bending every effort to develop well-balanced squads for these meets.

## MARYLAND STATE RIFLE TEAM DEFEATS G. W. GIRLS

Only One Perfect Score; Deciding Match Will be Held May 19.

G. W.'s rifle team was defeated in the match held last Saturday by a very close margin of two points. This is the second match which has been conducted between the two teams, the first of which was won by G. W.'s girls.

The University of Maryland girls displayed a wonderful performance, all of the girls making scores of 99, which is an unusual coincidence. The only perfect score was made by Katherine Edmonston.

Summaries of the scores are as follows:

University of Maryland.	
Myrtle Lewton	99
Grace Coe	99
Elizabeth Flenner	99
Anna Dorsey	99
Marie Massicot	99
	495
George Washington University.	
Katharine Edmonston	100
Edna Kilpatrick	97
Eleanor Barroll	98
Elizabeth Paris	99
Sophia Waldman	98
	492

A third and deciding match will be held between the two teams May 19. The University of Maryland girls have lost only one match beside the one which they lost to G. W., while the G. W. girls have won every match except that held last Saturday.

## MAY FETE CARNIVAL

(Continued from Page One.)

Here is a chance for someone to get a silver loving cup! One doesn't have to be a wonderful athlete or exceptionally beautiful or handsome to win one of the two cups offered. It only requires a little harder work on the part of the imagination to be one of the winners.

The prizes offered have occasioned much competition among the students, especially among the fair co-eds. They are spending many busy hours designing attractive costumes for themselves and their escorts. The co-eds are making the pretty costumes, while their escorts are trying to concoct the funny outfits.

Prize winners will be selected by Deans Hugh Miller and Anna Rose, Professors De Witt C. Croissant, Robert Bolwell, and Fred Moss from those taking part in a grand march. The cups, which will be exhibited before the march, will be presented immediately after the selection of the winners.

Two-ball in the left corner pocket! The students of McGill have started a billiard tournament and there are many entrants.

## COLUMBIAN WOMEN HELD BANQUET LAST NIGHT

Dinner Was at the Chevy Chase Club;  
Many Distinguished Guests

Mrs. Howard Lincoln Hodgkins, wife of the president of the University, and Anna L. Rose, Dean of Women, were among those present.

## STUDENTS PROTEST

(Continued from Page One.)

jority of the team. To some members they awarded gold footballs. That is, to the men who played on the team for two years. They insinuated by this that the men who played on the team for the first time were greatly inferior, and that a distinction should consequently be made. By making this distinction, they have humiliated every first-year player, and the University will be lucky if one or two veterans return next year.

And now we hear from the Council. They have voted themselves a gold key as their award. That's perfectly O. K., because they are the "bosses" and that's the reason they let the basketball and football teams go hang.

(Signed) Those Who Worked for G. W.'s Good.

Besides the athletes, members of the publication staffs feel that they have been slighted. J. Jos. W. Palmer, editor of the Cherry Tree, stated that "In no way does the work of the Student Council compare with the amount of effort and labor put in on either one of the publications. And yet the members of the staffs are not given any recognition of any description. Until two years ago editors and business managers of the Hatchet and Cherry Tree were awarded emblems for their services. However, that has been discontinued. It seems to me this recent action to be a gross misuse of power on the part of the Student Council."

"I think all members of the publication staffs should receive some kind of recognition for their efforts during the year," was the expression of Daniel B. Lloyd, business manager of the Hatchet. "Too often the work of these people, because it is done quietly and no big noise made about it, is overlooked. In view of the recent action of the Student Council I think it imperative that some recognition of the publication members be made."

An entirely different viewpoint is presented in the letter received from one signing himself as a tax-payer.

The Editor:

The news of the recent action of our estimable (?) Student Council awarding themselves gold emblems in the form of keys and to three of their members the "Athletic" letter of the G. W., reaches our ears shortly after the same council refused to grant our athletes emblems of any sort. Their rule then passed, gave the winner of his first G. W.'s sweater and to the second, an emblem. What we say is, why not pass some such regulation to affect the council. It should appear as follows: "Resolved, That the first year a student be a member of the Student Council he shall be given a fine smoking jacket, or perhaps more to the point, a shooting jacket (to help him in shooting the elusive bull), and in his second year on the council, he shall be granted a gold miniature larist (to help him in throwing the bull). So this is the reason the poor athlete has the poorest equipment of any college in the city, too much money for a council."

Yours in disgust,

A Tax-Payer.

BH: "If clothes make a man, what will they make a woman?"  
JH: "A sapper."

## SPORT NOTES

Virginia cleaned up its collegiate rivals in the Legion Meet last Saturday by scoring 15 more points than its nearest competitor, Gallaudet. Points were scored as follows: Virginia, 35; Gallaudet, 18; Maryland, 15; Washington Canoe Club, 10; Meadowbrook Club, 6; George Washington, 4; Tank Corps, 1; Yale, 1.

Harvard's Tennis Team found the Navy racketeers rather easy. The Midshipmen were beaten in three straight singles and two double events.

Princeton Freshmen trounced the Central High nine at Princeton Saturday by the score of 13 to 4. Heavy hitting by the Tiger Cubs and loose fielding by the Central team was marked.

Maryland University defeated St. John's lacrosse team at Annapolis last Saturday by the score of three to two. Maryland was leading throughout the contest despite the closeness of the score.

G. W.'s Engineers went down to defeat before the C. U. Frosh nine by the score of 13 to 4. The Hatchettes were leading 3 to 2 at the end of the 6th inning, but they blew up in the closing stages and C. U. won easily.

Georgetown's nine beat Johns Hopkins on the Hilltop diamond by the score of 7 to 2. Jones and Jenkins worked on the mound for the Blue and Gray and they turned in a creditable showing.

Maryland University Girls' rifle team defeated G. W.'s fair shooters by the count of 495 to 492. All of Maryland co-eds shot a score of 99, while Katherine Edmonston of the Buff and Blue team led with a perfect score of 100.

Two Pennsylvania nines lost by the score of 3 to 2. Penn State was defeated by Bucknell and Princeton scored a win over Pennsylvania University.

Navy's tennis team turned back the Hilltoppers at Annapolis last week, winning three of the four strings of singles and copping one of the doubles. Mangan starred for Georgetown.

Washington University defeated California's crew at Oakland last Saturday by six lengths. This victory gave the northerners the Pacific coast championship and the right to represent the west in the Poughkeepsie regatta.
